Progettiamo pannellature ed accessori anche su specifica del cliente, con sviluppi di soluzioni tecniche adeguate.

La nostra società oltre al taglio Laser, con lunghezze fino a quattro metri, esegue tagli al Plasma, piegatura con macchine a CNC, saldatura TIG/MIG su ferro, inox, alluminio. I prodotti possono essere forniti grezzi, zincati, verniciati a polvere.

Inoltre su richiesta del cliente possiamo studiare soluzioni per arredi interni, divisori frangi vista in inox e corten.

In un unico stile personalizzato...
